

# POUGHKEEPSIE

# Poughkeepsie Babe Ruth Summer/Fall Baseball 2010

## BASEBALL

**Registration Deadline - July 23, 2010**

*Child's age must be 8-14 on April 30, 2010*

This program is a great chance for your child to hone his baseball skills. Emphasis is placed on instruction, although games are played just like the regular season with umpires, etc. Your child will get a chance to play positions he may not have had a chance to play during the regular season. Colorful, Professional Farm Team uniforms are provided which your child can keep. For 8 year olds, your child will experience his very first games with other kids pitching, which will give him a leg up when he joins the 9/10 Minor League next year. For 12 yr olds – its time to move up to the 90' field. It's a whole new season.
