

POUGHKEEPSIE

BASEBALL

Committee/Event leader fact sheet

Event/Project Name: End of Season party for Tball, Rookie Leagues

Event/Project Description: This event was held the day after the awards night. The restaurant was a good idea but didn't work out well due to the crowding of the event and the lack of microphones that the place had. There event was a fundraiser where 15% of the total sales went back to the league.

The event was also a sponsored event where the kids each got two slices, tokens, stickers. That worked out well.

Amount of time devoted: 25 hours which includes planning, then day of event - checking off names and verifying teams. Get total count of kids and let the venue know. Make sure the trophies were ordered and in on time.

Amount of people needed to complete project: 8

Event coordinator

Administrative - checking in the envelopes

3 checkers at the door

Division coordinators organizing their divisions

President or Vice President

Costs involved in your project/event: \$7 per child last year we had over 100 children attend

Timing of your event/project: after season after school lets out

Notes: Too much to organize at the same time as the banquet for the older kids. A bit chaotic from a logistics point of view, possible a couple of dates for some of the teams and maybe even a different venue (jump n fun)
