

POUGHKEEPSIE

BASEBALL

Committee/Event leader fact sheet

Event/Project Name: 9-12 Team Manager

Event/Project Description: Manage a team in the Cal Ripken Division (9-12)

Amount of time devoted and when: Approx 85 hrs over the course of the season (season = fall or spring).

This is broken down as follows

2 games a week = 5 hrs

1 practice per week at 1.5 hrs

Admin time between 1-2 hrs per week (this includes calling parents, uniform distribution, Pictures, Rain reschedules, equipment pickup and drop-off, concession scheduling)

Also attend miscellaneous get-togethers such as the player evaluation day, draft night, when you select your players, and All-Star night, when you will talk about your All Star nominees.

Amount of people needed to complete project: At least manager and parent assistant. The more help easier the job.

Costs involved in your project/event:

Timing of your event/project: Spring (April – June) or Fall (August – October)

Notes: This job can be very rewarding and also very challenging depending on your team's parental help. Solicit help at your first practice.
